

**ST. MARY'S ENGLISH HIGH SCHOOL**

**BISTUPUR, JAMSHEDPUR**

**CLASS - III (PROJECT)**

**SUBJECT: NATURAL SCIENCE** - Draw any 5 living and 5 non-living things in an A4 size sheet.

**SUBJECT: SOCIAL SCIENCE** - Draw 2 means of Land, Water and Air transport and label them.

**CLASS - IV (PROJECT)**

**SUBJECT: NATURAL SCIENCE** - Pictures of healthy food and junk food 8 pics each and some information about how they are useful and harmful for us. Do this in the Scrap book. If you can't get pics you can draw them.

**SUBJECT: SOCIAL SCIENCE** - Draw the different Images of land forms  
Mountain, Plain, Valley, Island, Peninsula, Ocean, River, Lake.  
You can use pages from your old copies and take help from the Net.  
Draw one picture on one page. Name them and colour them properly.

**CLASS - V (PROJECT)**

**SUBJECT: NATURAL SCIENCE** - Corona and its prevention. Information and pictures make it in the scrap book.

**SUBJECT: SOCIAL SCIENCE** - World Health Organization: (WHO)

- \* What are its functions?
- \* How did the WHO eradicate
  - (i) Small pox
  - (ii) Ebola
  - (iii) Tuberculosis

Can do the Project in the old Social Studies copy.
