PROJECT FOR STD – VIII

SUBJECT: SOCIAL STUDIES

1. HISTORY: Lesson 1 'The Modern Period'

In an A4 sheet prepare a project on:

The historians have divided history into three periods. Explain these broad division on the basis of how the society, economy, cultural and politics were different from each other.

2. GEOGRAPHY: Lesson 1 'Resources'

Make a list of things that you see in your home and at school. Classify them into Natural and human made resources. Then sub classify the natural resources on the basis of their origin, development, renewability and distribution. Also design a poster for the class display board to spread awareness on the need to conserve our natural resources.
